Dear Volunteer,

Your help is greatly needed and appreciated more than ever this year, as we expect a larger than usual turnout of more than 10,000 people in attendance. Due to the current economic challenges facing families, we strive to serve more than 2,000 kids in need with free backpacks and school supplies at this year's event. To do this, we need your help.

We would like to work in shifts this year, and they are 9-1 or 1-4. Please let me know which shift you prefer. If you choose the earlier shift, we ask that you please arrive at 8:30 am the morning of the event. Registration for volunteers will be through the back loading area of Harborside by the metered parking lot on the east side of the building. We are asking that our Junior Volunteers be in middle school or high school, but no younger.

Volunteers will be staffing the following stations:

- Set up of the backpacks & supplies
- Distribution of tickets at entrance
- Distribution of the backpacks and school supplies
- Help direct entertainment groups to dressing areas
- Register volunteers, vendors and entertainment
- Security
- Clean up

**Please confirm your participation by contacting Mickey Rivera at
